|----------------------|-----------------------------|
| Dermatologist Tested | Suitable for All Skin Types |
| All Natural Formula | Not Tested on Animals |
| Anti-Aging | Paraben Free Product |
| Balancing | Recyclable Packaging |

A unique, non-greasy, hydrating moisturizer that absorbs easily, brightens and evens skin tones, and can be used under makeup. Natural sunscreen agents guard against harmful UVA and UVB rays and protect your skin against fine lines and wrinkles, while milk peptides melon-based antioxidants actively increase cell vitality, improve collagen, and enhance conditions for youthful, firm, and revitalized skin. Dermatologist tested. Works best after using Daily Cleanser.

Directions for use:

Apply evenly before sun exposure and as needed. Gently smooth over face and neck. Reapply after swimming, perspiring or towel drying. Children under 6 months of age: consult a doctor.

Sun Alert:

Limiting sun exposure, wearing protective clothing and using sunscreens may reduce the risks of skin aging, skin cancer and other harmful effects of the sun.

Indications:

Provides high protection against sunburn

Warnings:

For external use only. Keep away from eyes; rinse with water to remove. Keep out of reach of children. Discontinue use and consult a doctor if a rash or irritation develops and lasts.
